

PE and Sports Premium 2017 – 2018 (May update)

This academic year, Bredgar CEP School will receive £16, 873 from the Government in PE and Sports Premium funding. This funding is ring-fenced and must be used to make additional and sustainable improvements to the quality of PE and sport offered. The premium should develop or add to the PE and sport activities that Bredgar CEP School already offers and make improvements now that will benefit pupils joining the school in future years.

Key Objectives	Action taken	Cost	Impact
Engagement of all pupils in regular physical activity; promotion of healthy lifestyle choices	Table Tennis table purchased and concrete base added to playing field.	£2,360	This is proving to be a very popular activity during playtimes. A range of different ages play.
	Gym equipment added to existing playground equipment.	£5,863	The gym equipment is in use every playtime with a rota required to ensure that all children have access to it. Children challenge themselves to break their own personal best records. Staff are also integrating the use of this equipment into the PE lessons.
	Basketball equipment for playground	£205	Popular with some children.
	5 a day fitness	£240	Teachers use this regularly in the classroom to promote movement breaks. The children enjoy them.
	Increasing range of bikes and scooters for EYFS and KS1	£579	More children are able to participate as the range of sizes of bikes and scooters has been increased.
	Tennis Equipment for tennis lesson	£62	The children now choose to play tennis in golden time or during playtimes which previously had not happened.
The profile of PE and sport being raised across the school a tool for whole school improvement	Scooter and Skateboard Day	£300	Enthusiasm was high on the day. Some children have scootered to school following this event.
	Maths of the Day	£395	Teachers use this regularly as part of maths lessons to incorporate movement into lessons. Maths is a whole school improvement priority.
	Oasis Package enabling support and involvement in competitive sport.	£500	Gave opportunities for children to participate in a range of sporting activities.

Increased confidence, knowledge and skills of all staff in teaching PE and Sport	Lunchtime Supervisor training with emphasis on games and physical activity	£40	Two TAs are now leading physical activities, supported by the Sports and Healthy Lifestyle Prefects.
	Safe Practice in Physical Education and Sport Membership	£45	Good resource supporting teaching staff
Broader experience of a range of sports and activities offered to all pupils	Healthy Eating club resource	£20	Attendance is consistently good. Children are tasting things that they previously have not. Positive feedback from parents
	Total Football Club (now extended to KS1 as well as KS2) and provides mixed sports club.	£2,856	Attendance is good.
	Enhancement of bicycles and scooters for EYFS and KS1 children	£437	Bicycles and scooters are in use daily and a wider cross section of children are able to use them due to the range of sizes now available.
	Swimming beyond the requirements of the National Curriculum	£148	Many of the children have private swimming lessons and are able to swim further than 25m
	Bikeability for Year 5 and 6	£120	92% of children progressed onto riding on the road.
Increased participation in competitive sport	Travel costs to: Sportshall Inter-school Competition	£40	The children enjoy attending a range of sporting activities.
	Staffing Costs to support involvement: Sportshall Inter-school Competition	£80	
	Travel costs to Oasis Academy for competition x 2 days	£1,160	60 children were involved in this competition. Participation would not have been possible without the hire of coaches.
		Total spent: £15,450	

In our current Yr 6 class, 85% can swim 25 metres or more, use a range of strokes effectively and perform safe self-rescue. The remaining 15% continue to have swimming lessons.

Upcoming events and planned spending

- Replacement of climbing frame equipment planned for 2018 – 19 (est £6,000)
- Regular sports coach supporting the teaching of PE to KS2 and training school staff (est £8,000)
