Issue No. 30 May 8th 2015

Dear Parents and Carers,

We are delighted to announce on behalf of the School Council that in the fundraising event for Demelza House last week, Bredgar CEP School raised £224. We are all delighted to have raised this sum of money and thank you for your support and generosity. Congratulations to the School Council for organising this successful event.

Bredgar CEP School, to reflect what was happening in the rest of Britain, held their own election yesterday. The children's enthusiasm has been sustained over the lead up to the election with campaign posters and cards being eagerly displayed in any available space and manifesto information being debated in lessons as well as in the playground. All the children in Badgers and Beavers were given the opportunity to sign the electoral register allowing them to vote yesterday. At the time of going to print, the Chief Counter and her department are still counting the ballot papers. We're sure that the children will tell you which party had the majority! We would encourage you to talk to your child about the results of the General Election.

Finally, we wish all our current Year Six children the very best of luck in their SATS next week. They have all been working hard and we hope that the results of these tests reflect their good learning attitude and the effort that they demonstrated over their academic career at Bredgar CEP School. In order to prepare your child for next week, we would encourage you to offer healthy food and drinks, early nights and a calm approach, reassuring them that providing they do their best, that is all we can ask for.

Have a pleasant weekend.

Best wishes
