Issue No. 39 July 11th 2014

Dear Parents / Carers,

The Bredgar Vintage Summer Fête was a wonderful success! The sun was eventually kind to us, Bredgar families and many more from the surrounding area came and a very pleasant afternoon was had by all. There has been overwhelmingly positive feedback from the wider community, who really appreciated being able to be included in what became a true expression of village life. Thank you to everyone connected to the school who supported the fete. A **huge** thank you and well done to the main organisers from FOBs, ably lead by Lucy Loudon who have been quietly organising for months and have worked extremely hard. Thanks to everyone's support, the Fête raised a fantastic £2719. for the children of Bredgar School.

During the week, some children have recorded questions for the popular author, Julia Donaldson. The questions will be used in an interview due to be broadcast on radio sometime during the summer holiday. We will indicate the exact day and time on the school website once we have more detail.

Best wishes
